HSC Board (12th) - 85%

**KBPV, Sangavi, Baramati (State Board)** March 2019  
SSC Board (10th) - 84%

---

## TECHNICAL SKILLS

- **Languages:** C, C++, Java, JavaScript
- **Frontend:** HTML, CSS, React.js, Tailwind CSS
- **Backend:** Node.js, Express.js, RESTful APIs
- **Version Control:** Git, GitHub
- **Databases:** MongoDB

## SOFT SKILLS

- Problem-solving & Analytical Thinking
  - Team Collaboration & Leadership
  - Adaptability & Quick Learning
- 

## PROJECTS

### Tractor Work Management System

- Built a dynamic and responsive UI with React.js for seamless user experience.
- Implemented Node.js with Express.js for backend logic and RESTful API development.
- Used MongoDB for efficient data storage and management.
- Integrated JWT authentication and user role management for secure access control.
- Enabled user registration, authentication, and client management features.
- Tracked work records, including type, dates, descriptions, and costs, ensuring streamlined record-keeping.

### Online eBook Selling Website

- Developed a web application for selling eBooks using ReactJS, JSON-Server, and JSON-Server-Auth.
- Implemented user authentication and authorization.
- Created a book catalog with search and filtering features.
- Integrated a shopping cart system.
- Designed and implemented the front-end interface.
- Managed backend simulation using JSON-Server.
- Developed components for browsing, searching, and purchasing books.
